INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

«Competitiveness and innovations:
problems of science and practice»

**22-23 November, 2011
Kharkiv**

INFORMATION MESSAGE

Dear colleagues!

We invite you to take part in the International scientific and practical conference «Competitiveness and innovations: problems of science and practice», which will take place in Kharkiv on 22-23 November, 2011.

The purpose of conference is a discussion of scientific and practical problems of increase of competitiveness and intensification of innovative development of economy of Ukraine.

Sections of conference:

Section 1. Strategic directions of providing the competitiveness of economy of Ukraine on makro-, mezo- and microlevels.

Section 2. Problems of development of the national innovative system and innovative activity of enterprises.

Section 3. Liberman's reading – 2011: economic legacy and modern problems.

The work of **round table «Strategic management of competitiveness and introduction of innovations»** is planned on 22 November.

On results of conference will be published:

- ✓ the articles in the specialized magazine (language – Ukrainian, Russian);
- ✓ electronic edition of theses of reports (language – Ukrainian, Russian, English).

Passage, residence and feed are carried out due to the participants of conference.

Organizational payment for participating in a conference amounts **50 UAH** (the cost of publication of theses and articles of conference is paid separately).

The cost of publication of one copy of collection of theses amounts **110 UAH**, one page of the article in the specialized edition are **35 UAH**. Every additional copy of edition is paid separately.

Foreign participants pay organizational payment at the beginning of conference.

FOR PARTICIPATING IT IS NECESSARY IN CONFERENCE

to send in an organizational committee to **15 October, 2011** request on participation (form is added), text of the article or theses of report. All of materials are sent in an electronic kind. The names of files must contain the surname of the first author and type of material: for example, Shevchenko-theses, Shevchenko-article, Shevchenko-request.

REQUIREMENT TO REGISTRATION OF REPORT

Font: TimesNewRoman 14 size, interval – 1,5, the fields are 20 mm from every side of page.

Volume: 5-6 pages, including the list of literature (for the article); 2-3 complete pages with the list of literature (for theses).

Registration: on the right in the overhead corner of page it is necessary to specify surname, first name and second name (fully), scientific degree and scientific rank of author, job (fully);

below in the middle of page – the name of report (all of letters are capital, bold type, TimesNewRoman 14 size);

below through one line - text of lecture.

Annotation: to the text of the articles an annotation by volume to 5 lines in language of the article and English with obligatory presentation of the complete surname, first name, second name, scientific degree, job of authors, title of the article have to be attached.

Workings languages of conference: Ukrainian, Russian, English.

For a publication in the specialized edition the articles exceptionally with authorship (or by a co-authorship) of scientists with a scientific degree are accepted.

An organizational committee reserves a right for criticizing and selection of articles in relation to their conforming to the requirements.
