Discipline policies

The policy of academic integrity.

The teaching of the discipline is based on the principles of academic integrity. Violations of academic integrity are: academic plagiarism, self-plagiarism, fabrication, falsification, write-off. For violation of academic integrity, students may be held liable for the following academic liability: re-assessment (test, exam, etc.); re-passing the relevant educational component of the educational program.

Class omission policy.

Students must attend lectures and practical (seminar) classes. The student's absence from class can be justified by a good reason. Important reasons for absence are: illness, participation in the All-Ukrainian Student Olympiad, All-Ukrainian competition of student research papers or any other event that can be attributed to activities that promote student development and improve the image of the university (faculty).

Policy on the implementation of educational tasks later than the deadline.

Students must complete all learning tasks on time. A student who has not completed a certain number of educational tasks on time and wants to make up for lost time, can seek help from the teacher
